Subject: Question Regarding Online Topic Submission

The following question was submitted on Tuesday, March 8, 2016:

Question concerning the online progress report that is due soon. What needs to be included in this report and who is it submitted to?

Answer:

Sponsors were asked to meet with school team during this week for the purpose of identifying a school issue, then begin developing your project plan or strategy. Facilitators should contact school sponsors during this week (March 7) to determine how project topic selection is progressing. The project topic and any other information that you wish to share should be emailed to drehightower@mjchf.org by Wednesday, March 16.

Just a reminder to everyone, please do not forget to check our website www.mjchf.org/brighterfuture.
